COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Since I am not in the DDA I can't really say what was most useful. On the whole it gave me a better understanding of the DDA. I did think the part on the MBO was pretty useless.

(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

No. The participants seemed completely uninterested in what they were doing which made it very boring to me.

- D. Other Comments:

were by far the most interesting speakers. The Mag Group & the MBO were the worst presentations.

Being under cover & working away from the Hqs Bldg. this really helped bring me back to the realization of Agency life.

On a whole I think the course was very worthwhile & very interesting.
